Blackburn HIGH SCHOOL

IMPLEMENTATION

The semester report will be in a written format easy for parents/carers to understand and will be accessible in digital form with the option to translate text from English to another language, to cater to our school community.

- *Blackburn High School will report directly against the Victorian [Curriculum F-10 achievement standards](#) or, if reporting on students for whom English is an additional language, the Victorian [Curriculum F-10 EAL achievement standards](#).*
- *Both student achievement and learning behaviour will be included in the report, reflected as the School Values of Respect, Citizenship and Pursuit or Excellence.*

Student Progress Conferences, conducted twice-yearly, enable the opportunity to discuss the students' progress and how they can continue to be supported at home. Interpreting services will be made available where required.
