

# Resource Centre ICT/Resource Centre Acceptable Use Agreement

It is a privilege and not a right to use computer, internet services and resources provided by Blackburn High School.

To support learning at school, we want students to use a school-supported computer because teachers and students will be able to use the same software which has been approved by the Department of Education.

**Blackburn High School Resource Centre Acceptable Use Agreement**

This agreement refers to the use of the Resource Centre, school ICT, as well as your personal, school-supported computer. A copy of this agreement can be found at <http://www.blackburnhs.vic.edu.au/ict/acceptable-use-agreement>
